

What is the Emerging Rotary Leaders (ERL) Program?

The Emerging Rotary Leaders (formerly SIG) program is designed to: (1) Expose the District's emerging leadership to a wider range of thinking, resources and communication, and (2) Connect them with other emerging leaders .

Unique programming is offered to the ERL attendees. They will engage RI Senior leadership, discuss and explore current topics, and participate in the Institute, which includes outstanding speakers and innovative Rotary thinking.

"The biggest value of 'this program was that it opened our eyes to the wider world of Rotary."

The ERL/SIG program helped Rotarians focus their passion—even though they decided the District governor path was not for them.

"It helped me better understand that I had something to offer Rotary. I was energized by the Institute and quickly became more involved in leadership roles upon my return"

The ERL/SIG program has connected participants for the good of Rotary.

"I found my experience to be a very motivational and inspiring experience. We were very favorably impressed with the quality of people we met there, many who are still friends."

The ERL program is a way for Districts to identify and encourage future leaders in their district.

It works. It is a proven investment!

Emerging Rotary Leaders

Is the Emerging Rotary Leader Program Worth the Investment?

The Emerging Rotary Leaders program is an opportunity to develop the future leaders in your District. Districts need quality and qualified Governors, but they also need skilled leadership in many other capacities—Assistant Governor, Rotary Foundation leaders or District Conference chairs. Your district leadership will benefit by their attendance at an Institute.

The SIG Program Motivates Rotarians to Become Governors.

“The biggest ‘aha’ for me was the look behind the curtain. I came out of the experience knowing I would like to be a District Governor at some point”

Since its inception, more than 50% of the Zones 25 & 26 Governors have been SIG participants.

Attendees return back to their Districts motivated and energized.

“It was a unique opportunity to experience a level of Rotary that we have heard about .It was even greater than I had been told.”

“Loved the ability to interact with the DG chain and RI Directors and be treated as equals.”

A Special Invitation

It is with pleasure that Marcia and I invite you and your spouse or partner to join us for some aloha spirit at the Rotary Zones 25 and 26 Institute on the Big Island of Hawaii.

You have been identified by the leadership in your District as an Emerging Rotary Leader that would greatly benefit by the broader exposure to Rotary you receive at a Rotary Institute. Your dedication, commitment and leadership ability in Rotary will also benefit when you connect with leaders from other West Coast Districts to exchange ideas about how to improve Rotary.

This Institute will change the way in which our District leadership, and therefore our clubs, view Rotary — who we are, what we do and how Rotary can have an effect on their lives in a way that can be found nowhere else. Our institutes are a perfect expression of leaders *Connecting for Good* – for the good of Rotary and for the good of the individual. This Institute will be a human expression and example of the Rotary brand.

Since the early 2000's, this program has helped many talented individuals increase their Rotary knowledge, inspiration and expression of Rotary. As a result, many of these participants increased their engagement in Rotary. We believe that you and your spouse/partner will benefit greatly by joining us for a memorable experience.

We look forward to welcoming and connecting with you in Hawaii, October 29 through November 1, 2015.
